

Independent surveys show that the vast majority of Victorians agree...

that terminally- and hopelessly-ill patients with profound suffering should be able to *choose* to die with dignity, medical assistance, appropriate safeguards and the support of loved ones.

But it's currently *illegal* in Victoria.

Support Dying With Dignity Victoria's charter for law reform. Visit [www.dwdv.org.au](http://www.dwdv.org.au) today to learn how you can help.
