

# croak

## on your own terms

Some seriously ill Victorians die in a way that others approve, but the dying person believes a horrifying contradiction of their life...

...simply for lack of prior information and planning.

To ensure your own end-of-life wishes are respected, attend a friendly and relaxed 2 hour DWDV workshop.

Visit [www.dwdv.org.au](http://www.dwdv.org.au), or call 03 9877 7677 to find out more.

**Dying With Dignity Victoria**  
Respect for the right to choose
